Story:

Lana dreams of going pro one day in the world of gaming. Since she was a young girl she loved games. Now that E-Sports is on the rise she wants in. Studying at OCAD University she hasn't run into any fellow gamers of her skill level, and unfortunately Lana needs a team. She's having a difficult time finding worthy allies to team up with to try to make it to the top. She knows once she finds that solid group of people to have her back, nothing will stop her.
